THE PROPOSAL

MCKINNEY NOON LIONS CLUB

DRIVE FLYER

FUTURE PLANS

THE PROPOSAL

MISSION

To enable a drive in an elementary school in Frisco, to collect new/used eyeglasses to send to Third World countries, with the help of the screening and packaging from the McKinney Noon Lions Club.

TARGET AUDIENCE

The drive will be implemented in an elementary setting because younger students are more likely to participate. Since the Eyeglasses Drive will be geared toward elementary students, motives such as an ice cream party, "pajama day", or "bring a stuffed animal to school day", will be given to the grade that collects the most eyeglasses.

MCKINNEY NOON LIONS CLUB

WHO ARE THEY?

A group of individuals who devote service to the community. The club meets at the Eldorado Country Club in McKinney every Wednesday at noon, for lunch.

QUARTERLY EYEGLASSES RECYCLING

Members visit the Watauga Recycling Center quarterly, to screen and package donated eyeglasses. These eyeglasses will then be passed on to mission trip groups, to go to people in need in Third World countries.

NEXT VISITS TO WATAUGA

- January 12th
- Early April
